Dear Mr. Golden:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following item:

-Schedule B of your report itemizes a disbursement to Cooper & Secrest Associates, Inc. with a purpose of "Win Bonus." Please note that win bonuses can be made only if they have previously been established with a binding contract. If a contract exists, please inform the Commission in an FEC FORM 99 or an amendment to this report. If no contract exists, please obtain a refund of this disbursement and file an amendment to your report(s) to disclose corrective action.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations, and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
